EU-OSHA Healthy Workplaces Campaign 2026-2028

Preventing Psychosocial Risks at Work

Together for Mental Health at Work

Date: Thur, 3rd December 2026
Time: 11:00am - 12:00pm

Why attend?

Psychosocial hazards, including work-related stress, bullying, violence and aggression, can have a significant impact on worker wellbeing, organisational performance and workplace culture. Addressing these hazards requires a proactive and preventative approach. This webinar will introduce the EU-OSHA Healthy Workplaces Campaign 2026-2028: Together for Mental Health at Work and explore how employers can apply a prevention-based approach to managing psychosocial hazards in the workplace using the resources available from the HSA.

Participants will:

- **Be introduced to the campaign:** Learn more about the 5 priorities of the EU-OSHA Healthy Workplaces Campaign 2026–2028.
- **Understand the picture in Ireland:** Hear insights and challenges in Irish workplaces and how they compare with other European countries.
- **Explore practical HSA supports:** Hear from the HSA Behavioural Health and Safety Team about the tools, guidance and supports available to identify, assess and manage psychosocial risks.

Registration

This event is free to attend. Places are limited and advance registration is essential.
