Seminar synopsis

Further to our 2009 CLP seminars and with the deadline fast approaching for submission of classification and labelling (C&L) notifications for all hazardous substances to the European Chemicals Agency, these seminars aim to provide a practical approach to the new requirements of the Classification, Labelling and Packaging (CLP) Regulation and Safety Data Sheets (SDSs) under the REACH Regulation.

The seminars will also provide an opportunity to meet with relevant HSA experts, in particular, for those with obligations for chemical hazard communication under CLP and REACH.

Target audience

The seminar will provide practical information for those responsible for chemical safety in their workplace or to those supplying or using chemicals, including the following:

- Manufacturers / Importers / Distributors
- Formulators
- Environmental Health & Safety managers
- Safety Officers
- Safety Data Sheet authors
- Product Safety Specialists
- Safety Representatives
- Regulatory Affairs Specialists
- Occupational Hygienists
