

European Communities (Carriage of Dangerous Goods by Road and Use of Transportable Pressure Equipment) Regulations 2011 and 2013

**Competent Authority Approval 02/2014**

Applicable to National Road Transport Only

In accordance with ADR transitional measure 1.6.1.16, the Health and Safety Authority, as Competent Authority appointed under Regulation 10 of the European communities (Carriage of Dangerous Goods and Use of Transportable Pressure Equipment) Regulations 2011 and 2013, hereby approves the carriage by road of animal material affected by pathogens included in Category B (UN No. 3373, Class 6.2) until 31<sup>st</sup> December 2014, according to the provisions of Regulation (EC) No. 1069/2009 of the European Parliament and of the Council laying down the health rules as regards animal by-products not intended for human consumption (which supersedes Regulation (EC) No. 1774/2002) and also according to Regulation (EC) No 142/2011 of the European Parliament and of the Council implementing Regulation (EC) No. 1069/2009. These regulations specify requirements for containment, marking and documentation of ABP materials which apply as follows:

- That the animals are transported in covered leak-proof containers or vehicles
- That the skips are maintained in a clean condition
- That the skips are labelled 'Cat 1 for disposal only'
- Consignments are accompanied by a commercial document identifying the consignor, consignee, carrier and material.

A copy of this approval shall accompany each shipment by road and shall be presented to anyone having a legitimate interest in the carriage of these goods.

This approval expires on 31<sup>st</sup> December 2014.

For the Health and Safety Authority
