The European Communities (Carriage of Dangerous Goods by Road and Use of Transportable Pressure Equipment) Regulations 2011 and 2013

Restriction on the Use of GRW Manufactured and Bureau Veritas Certified Tanks

Certain road tank vehicles, fitted with tanks manufactured by GRW Engineering (Pty) Ltd have been incorrectly issued with type approval and initial inspection certification by Bureau Veritas South Africa (SA) and Bureau Veritas UK.

The affected road tank vehicles used in the fuel industry are subject to competent authority Exemption 04/2013, which is available from the HSA web site.

For clarification, the affected tank vehicles are those registered in Ireland up to and including 22 August 2013.

All tank operators are advised to be aware of this restriction and to note that tanks manufactured by GRW with BV UK / SA certification imported and registered post 22 August 2013 may not be used for dangerous goods transport in Ireland.
