**H 200 – Series Physical Hazards**
- H200: Explosive
- H210: Flammable gas
- H211: Flammable liquid
- H212: Flammable solid
- H213: Flammable aerosol
- H214: Flammable material
- H215: Flammable reactive substance
- H216: Flammable reactive material
- H217: Flammable reactive water
- H218: Flammable reactive water in contact with air
- H219: Flammable reactive water in contact with water
- H220: Explosive gas
- H221: Explosive liquid
- H222: Explosive solid
- H223: Explosive mixture
- H224: Explosive (incompatible mixtures)
- H225: Explosive (contact with air)
- H226: Explosive (contact with water)

**H300 – Series Health Hazards**
- H300: Health hazard
- H301: Toxic if inhaled
- H302: Toxic if ingested
- H303: Toxic if swallowed
- H304: Toxic if inhaled and swallowed
- H305: Toxic if inhaled and swallowed

**P 100 – Series: General**
- P100: Medical aid needed; obtained from container label or at hazard.
- P200: Keep out of reach of children.
- P300: Read label before use.

**P 200 – Series: Prevention**
- P201: Obtain special instructions before use.
- P202: Do not handle until safety instructions have been read and understood.
- P203: Do not keep hot liquid, open flames, and other ignition sources. No smoking.
- P204: Do not use an open flame or other ignition source.
- P205: Do not allow contact with skin.
- P206: Do not allow contact with water.
- P207: Keep in original packaging.
- P208: Do not breathe gas/vapour or mist/spray.
- P209: Do not breathe dust/fume/gas/vapour.
- P210: Keep away from heat, hot surfaces, open flames and other ignition sources. No smoking.
- P211: Do not spray on an open flame or other ignition source.
- P212: Do not release to air.

**P 300 – Series: Response**
- P300: If on skin:
- P301: If on clothing:
- P302: If on skin:
- P303: If on skin:
- P304: If on skin:
- P305: If on skin:
- P306: If on clothing:
- P307: If on skin:
- P308: If on skin:

**P 400 – Series: Storage**
- P401: Store in a cool, dry location.
- P402: Store in a cool, dry location.
- P403: Store in a cool, dry location.
- P404: Store in a cool, dry location.
- P405: Store in a cool, dry location.
- P406: Store in a cool, dry location.
- P407: Store in a cool, dry location.
- P408: Store in a cool, dry location.

**Hazard Statements (H- Statements)**

**Precautionary Statements (P-statements)**
