Skip Lorry Safety Webinar

Why attend?

Employers have a legal duty to provide a safe place of work, and skip lorries are a place of work.

- Attendees will gain knowledge and understanding of the key steps needed to prevent injuries in the use of waste collection skip lorries.
- The HSA will discuss the legal duties for employers, self-employed and operators in the industry and how to identify hazards, assess risks and put in place the correct controls to reduce dangers and prevent injuries.
- After recently carrying out an inspection campaign in the industry, HSA Inspectors will discuss findings to ensure learnings and better outcomes in the future.

Who should attend?

- Health and Safety Professionals
- Persons operating in the waste industry and especially those in the skip hire industry
- Safety Representatives
