Site specific risk assessments at your fingertips!

▶ What is BeSMART.ie?

BeSMART.ie is a free, easy to use online tool that lets you prepare your own safety statement and risk assessments for your business.

The law requires that you carry out risk assessments and compile a safety statement for your workplace – BeSMART.ie simplifies this process, making it easier, cheaper, and effective.

BeSMART.ie has already helped thousands of small businesses to:

- ▶ Manage safety
- ▶ Save time
- ▶ Save money
- ▶ Reduce accidents
- ▶ Comply with the law

▶ BeSMART.ie for Construction

Construction businesses can now enjoy the benefits of BeSMART which include:

- ▶ Complete your own site-specific safety statement
- ▶ Fully editable risk assessments for preparation of your site specific safety statement
- ▶ Links, information and advice specific to your type of work

So make the smart decision:
