

Dangerous Substances Act 1972 (DSA) – Petroleum (Petrol) Storage Licence

Obtaining a DSA Licence

Under the DSA all petrol stores, retail or private, **must be licenced by the local or harbour authority** or if the petrol store is owned or operated by such an authority, licenced by the Minister for Business, Enterprise and Innovation (DBEI).

Persons seeking a DSA licence must **contact their local or harbour authority** or the Minister as appropriate.

Licence Appeals

In the event a DSA licence is refused by the local or harbour authority, an appeal may be made within 10 days to the Health and Safety Authority.

Contact details for licencing or appeals:
