in partnership with

Extractive Industries All-Island Seminar

A seminar for all those
involved in the extractive
industry.

18 October 2016
Armagh City Hotel
2 Friary Road, Armagh

Extractive Industries All-Island Seminar

This seminar has been organised by the following organisations:

- HSA
- HSENI
- Institute of Quarrying
- Irish Concrete Federation
- Quarry Products Association Northern Ireland
- Irish Mining and Quarrying Society

You are cordially invited to this seminar which will provide essential information and best practice for the extractive industries.

Speakers will use examples to illustrate best practice and will give practical information to help industry manage. There will also be opportunities to ask questions.

This seminar will be of interest to all involved in the extractive industries and associated industries including contractors.
